

mbn membership 2016/2017

MBN hosts four major networking events throughout the year, each incorporating high profile specialist guest speakers. At each of the events, attendees are encouraged to take advantage of the networking opportunities with over 100 local business and organisations represented.

- Members/sponsors are allocated tickets to attend MBN events throughout the year. The number of tickets allocated depends on which membership or sponsorship package purchased.
- Non-members are most welcome to attend major events at a cost of **\$90 per person**.
- Sponsors are encouraged to use their ticket allocation to invite business guests and expand the MBN membership.
- Cancellations to attend events must be received at least 72 hours prior to the event commencing to avoid ticket being allocated as used or payment being requested to cover the cost of the meal.
