The Murray Business Network presents:

MARGOT SPALDING

of JIMMY POSSUM FURNITURE

A family business, JIMMY POSSUM sets itself apart, providing a refreshing change from the world of production and imported products.

In 1995 Margot and Alan Spalding left their design jobs and ventured into furniture manufacturing. Now JIMMY POSSUM employs 160 highly skilled and enthusiastic staff.

Margot will take us on the journey of the POSSUM family business and how 'mother possum' travels across four states to seven stores, then returns to POSSUM central in Bendigo on an almost weekly basis.

Be inspired by the success of this extraordinary family company based in Regional Victoria
